

Application No. 10/723,488
Communication Dated August 22, 2007
Attorney Docket No.: 1897A1

REMARKS

This Communication is in response to a telephone call from Examiner Michael Bernshteyn. The Examiner indicated that the present application may be allowable; however, there was no section in the specification dealing with the Brief Description of the Drawings. Accordingly, the specification has been amended to insert a section entitled "BRIEF DESCRIPTION OF THE DRAWINGS".

Hopefully, this amendment to the specification will put the application in condition for allowance. However, should the Examiner feel that there are any issues unresolved, he is urged to contact applicants' attorney at the telephone number listed below.

Respectfully submitted,
